THE CATCH UP

Booster Club Coffee Catch Up Newsletter

October 2011

DO YOU KNOW WHAT THE BOOSTER CLUB DOES FOR YOUR CHILD?

The Booster Club will provide this year, among other things:

- Teacher's Aides
- Kinder Art & Music
- 1st Grade Chess
- 2nd Grade Programming
- Librarian Hours
- Math Lab (3–5th Grade)
- New Copier & maintenance
- Computer purchases & maintenance
- Before & After School Supervision in Library
- Full time PE teacher
- PE Equipment & Kinder yard supplies
- School beautification & gardening
- Classroom supplies
- Office Staff
- Custodian Overtime
- Field trip funds
- Chorus Program

The Booster Club intends to spend approximately \$500 per child in the 2011–2012 school-year. That money will go directly to essential supplemental programming (see above) for which the District does not pay. The Booster Club relies on parental involvement in terms of time & money. It is the sincere hope that Hancock Park School families will therefore donate \$500, or whatever is comfortable, which will enable us to achieve this goal.

We need your participation, energy and creativity. We urge you to get involved and contribute in whatever way you can!

Upcoming Fun Events in which you can participate:

- October 5th: Back to School Night with Food Trucks
 - 5:00 pm—PreK, Kinder & 1st Grade Classroom Presentations
 - 6:00 pm—Auditorium presentation
 - 6:30 pm—3rd, 4th and 5th Grade Classroom Presentations
